

Four Elemental Mother Awakening Mind Women's Five Week Prayer for Peace

We will journey around the Medicine Wheel of the Four Elemental Mothers in all their cultural forms. Through song, prayer, Inner and Outer offerings, we will dissolve the root of our collective, Earth and individual suffering across nations and ego state till we rest in total peace. The Mantras below represent the dissolving aspect of the prayer, and is from Healing with Form, Energy and Light by Tenzin Wangyal Rinpoche. Thank you for joining this prayer!

Love & Peace
